Delegate Deb Rey
Deb Rey for Maryland
P.O. Box 557
Lexington Park, MD 20653

Dear Delegate Rey,

Maryland Business for Responsive Government (MBRG) supports candidates, regardless of political affiliation, who have a proven track record of voting for pro-business, pro-job legislation, or who are running on a strong, economic and job growth platform.

We are pleased to inform you that, based upon your stance on economic issues and long tenure of fiscally-responsible, pro-economy voting while in the legislature, MBRG fully endorses your campaign for reelection in November. You may reference our endorsement in your written campaign literature, on your website, and on social media.

We hope that your campaign is successful in November!

Regards,

Duane Carey
President
