DEB REY FILES FOR STATE DELEGATE DISTRICT 29B

“It’s time for a new voice in Annapolis”

Deb Rey filed today for the Maryland House of Delegates District 29B.

“I am running for office to give the citizens of southern St. Mary’s County a voice in Annapolis,” said Rey. “It is time we have a representative who will vote with us in mind as well as stand up for our rights.”

District 29B consists of southern St Mary’s County including Naval Air Station Patuxent River and the Lexington Park business district.

“Many people I have spoken with are not happy about the recent gas and septic tax increases and they are concerned about the impending rain tax. In addition, they see our rights being eroded away by one-party rule in Annapolis.”

“We need to lower taxes and implement free market policies to cultivate our community’s economic success and bring the businesses and jobs back to Maryland. Decreasing regulations will help restore property rights to individual citizens, land owners and small businesses. We need to unleash the power of the individual by removing the roadblocks government puts in their way.”

Rey hopes to join Delegates Tony O’Donnell and Mark Fisher in Annapolis with a campaign about issues that resonate close to home for citizens in District 29B. When elected, Rey would bring a new voice and energy to the Maryland General Assembly.

The Primary Election is June 24, 2014 and the General Election is November 4, 2014.
